

Addition and Subtraction

Add the numbers in the clouds. If you need help count the raindrops.

$$\begin{array}{c} \text{5} \\ \text{•••} \\ \text{••} \end{array} + \begin{array}{c} \text{4} \\ \text{••••} \end{array} = \begin{array}{c} \text{ } \\ \text{•••••} \end{array}$$

$$\begin{array}{c} \text{4} \\ \text{••••} \end{array} + \begin{array}{c} \text{6} \\ \text{••••} \\ \text{••••} \end{array} = \begin{array}{c} \text{ } \\ \text{••••••} \end{array}$$

$$\begin{array}{c} \text{2} \\ \text{••} \end{array} + \begin{array}{c} \text{5} \\ \text{••••} \\ \text{••} \end{array} = \begin{array}{c} \text{ } \\ \text{•••••} \end{array}$$

$$\begin{array}{c} \text{1} \\ \text{•} \end{array} + \begin{array}{c} \text{5} \\ \text{••••} \\ \text{••} \end{array} = \begin{array}{c} \text{ } \\ \text{•••••} \end{array}$$
